

certificate no. 07012770002

ISO / IEC 17025
ISO 9002

The HRD Certificates Department is BELAC accredited for the quality examination of polished diamonds under ref. N° 039-TEST.

This certificate is established in conformity with the "International Rules for Grading Polished Diamonds", approved by the World Federation of Diamond Bourses and the International Diamond Manufacturers Association at the May 1978 Congress (rev. ed. 1995), and may not be reproduced by any means whatsoever unless complete.

The stone in accordance with the above mentioned number has been identified as a natural gem diamond and has the following description :

shape oval
 weight 1.07 ct
 clarity grade loupe-clean
 fluorescence nil
 colour grade exceptional white + (D)
 measurements 7.89 x 5.53 x 3.69 mm
 proportions
 girdle medium 4.5% faceted
 culet pointed
 table width 56%
 cr height 17.0%
 pav. depth 45.5%
 finish grade good

comments

identification marks

negligible external characteristics

Red symbols refer to internal and green symbols to external characteristics.

The symbols do not usually reflect the actual size of the characteristics.

The characteristics have been indicated in order to clarify the description and/or for further identification.

antwerpen, 21/05/2007

gemmologists

The characteristics of the above mentioned diamond have been established by scientific measurements and observations, carried out in the laboratory of the Diamond High Council.
